

Description

A waterproof, firm and lasting single-sided sealing tape, typically used for sealing and connecting membranes at corners, reveals, on wall/floor junctions or overlaps and sealing around service penetrations.

Delta Cornerstrip creates a vapour seal making it an excellent membrane sealing and repair product.

Features

- Foil backed one-side
- Excellent sealing tape
- Creates a vapour seal
- Ideal for repair
- Split backing for ease of installation

Specification

- BS 8102:2022 Protection of below ground structures against water ingress. Code of practice.
- Ancillary product for Delta Cavity Drain Systems.

Associated Products

- Delta MS 20
- Delta MS 500
- Delta AT 800
